TEACHER	STUDENT
<p><b>LEAD IN:</b></p> <p>What kind of religious activities do we do every day? Let's think about our duties. Do you know why we perform these activities? What is the essence that lies behind the idea of Islamism?</p> <p><b>ACQUISITION OF KNOWLEDGE:</b></p> <p>Asking questions to the students about our religion. I ask them to listen and watch the presentation of Islam . Being able to run the ICT programme about Islam. Ask them to answer my questions how Islam should be regarded as a religion and how we perform our duties.And ask them to think about the core and mentality of Islam that gives a route to our daily lives and our lifestyle.</p>	<p>Students will watch the video. They will make comments on one of the pictures of Quraan, Kaabe, Mosque. They will think about our religion and share their ideas about what first come to their minds and what they know about our religion. They will try to give examples about how we exercise our religion and the main ideas that Islam is based on.</p> <p>Some questions about Islam will be asked to the students. The terminology and the expressions like Taweed, revelation used in the presentation will be explained clearly to the students. And they will be asked to give examples of these meanings in our daily lives.</p>
